

### **Pinehurst Medical Clinic Dermatology**

200 Pavilion Way, Second Floor, Southern Pines NC 28387 1818 Doctors Drive, Sanford, NC 27330

Dear New Patient of Pinehurst Medical Clinic Dermatology,

We are pleased to welcome you as a new patient of Pinehurst Medical Clinic Dermatology. To ensure the best possible experience during your upcoming visit, please take note of the following:

- 1. Plan on arriving at least 30 minutes prior to the scheduled time of your appointment to avoid delays.
- 2. Bring your medical insurance card(s) and medications with you on the day of your appointment. To find a list of PMC's contracted payers or to review additional insurance information, please visit pinehurstmedical.com/resources-category/insurance
- 3. Complete your new patient paperwork before coming to your appointment. If you need a paper copy mailed to you, please call (910) 695-2161 to make this request. Please allow at least 2 business days for your request to be processed, and an additional 5-7 business days to receive a paper copy in the mail.
- 4. If previous medical records are needed our office may contact you to make arrangements to obtain records.
- 5. Please note: Full body skin exams (skin cancer screenings) are a very important part of your health maintenance. If you have other skin problems, such as hair loss, rashes, or acne, it can be difficult for a dermatologist to address everything in one visit. A thorough skin check should take up most of the visit, leaving little time for additional skin concerns. Please schedule a separate appointment for any other skin health problems, where the provider can focus thoroughly on just that problem.

We look forward to seeing you soon. In the event you need to cancel your appointment, we ask that you give us at least 24 hours' notice.

Sincerely, PMC Dermatology Southern Pines: (910) 235-3330 Sanford: (919) 708-1555

## **Pinehurst Medical Clinic Patient Payment Policy**

- 1. Payment is due at the time of service. This may include deductibles, co-payments, co-insurance, and services not covered by an insurance company.
- 2. Payments may be made by cash, check, money order, MasterCard, Visa, Discover, or American Express.
- 3. You may receive a separate bill for services provided by a FirstHealth Cardiology & Specialty Clinic provider at PMC.
- 4. Patients without insurance may be eligible to receive a discount for payment in full on the day services are provided. You will need to speak to a Patient Account Representative.
- 5. A No-Show Charge will apply should you fail to keep your scheduled appointment without giving us a 24-hour or greater advanced notice of your cancellation. Three (3) consecutive appointment cancellations and/or no-shows may result in dismissal from Pinehurst Medical Clinic. The No-Show fees are \$75 for a new patient office visit, \$25 for an established patient office visit, and \$25-\$250 for procedure/testing appointments.
- 6. Patients may be charged a fee for the completion of forms.
- 7. Patients who feel their level of income is not sufficient to enable them to pay the amount they owe may apply for financial assistance by completing an application. This application may be obtained from one of our financial representatives or by calling Financial Services at 910-295-9391. Please note in general, financial assistance is extended only to patients whose family income is at or below 150% of the federal poverty limits.
- 8. Balances due after your insurance has paid will be reflected on billing statements sent to the patient's, or responsible party's, address. The amount due on the statement is due in full upon receipt. If you are unable to pay the amount in full it is your responsibility to call Financial Services to discuss making other payment arrangements.
- 9. Unpaid charges billed to your insurance will appear on your statement indicating they are pending a response from the insurance company. If a charge has been filed with your insurance for over 60 days without a response, please contact your insurance company. If the charge remains unpaid it may become your financial responsibility.
- 10. It is important to remember that health insurance coverage and plans vary, and not all charges will be covered or paid in full. If your insurance denies a service or does not pay in full, you are responsible for paying the remaining balance.
- 11. Services received as a result of an accident are to be paid promptly. We do not allow additional time for payment where the accident results in a lawsuit or insurance case.
- 12. If your health insurance plan requires a preauthorization or referral, it is your responsibility to ensure it is obtained before services are received.
- 13. New patient visits are coded per industry standards based on whether the patient is new to the specialty or subspecialty. Reference the following link for additional information: <a href="https://www.aapc.com/blog/41276-new-vs-established-patients-whos-new-to-you/">https://www.aapc.com/blog/41276-new-vs-established-patients-whos-new-to-you/</a>
- 14. Failure to pay a balance due promptly may result in one or more of the following:
  - a. Your account may be referred to a collection agency,
  - b. Your past due status may be reported to the applicable credit bureaus,
  - c. Your ability to receive services from Pinehurst Medical Clinic may be jeopardized.
- 15. Billing codes will reflect all services provided during an appointment, e.g. if a new or chronic health issue is addressed during an annual wellness visit, a copay fee, co-insurance or deductible will apply depending on the patient's insurance plan. Evaluation and management of new or chronic health issues is not considered a part of the annual wellness visit and is a separate billable service.

We encourage those who have questions regarding this policy document or any aspect of their bill to contact us at (910) 295-9391 or toll-free at (866) 327.3159.

Ask a PMC Dermatology staff member to help you activate your EMA Patient Portal to allow:

- 24/7 access to medical information
- Faster notification of test results
- Increased ability to communicate with your Dermatology Care Team
- Receive important updates, and more.
